Mr. President, LB 36, the first item I have on the bill are E & R amendments.

PRESIDENT: Senator Hall.

SENATOR HALL: Mr. President, I would move the E & R amendments be adopted.

PRESIDENT: You have heard the motion to adopt the amendments. All those in favor say aye. Opposed no. The motion carried, the amendments are adopted.

CLERK: Mr. President, Senator Warner would move to amend his bill. (The Warner amendment appears on page 873 of the Legislative Journal.)

PRESIDENT: Senator Warner.

SENATOR WARNER: Mr. President and members of the Legislature, LB 36 dealt with investment of funds that were held by the courts in condemnation cases and I offered an amendment on General File to the committee amendment which would permit the governmental entity to direct to the court where those funds were to be invested. So I would move adoption of the amendment. It's not a substantive change.

PRESIDENT: Is there discussion on the Warner amendment? If not, the motion is to adopt the amendment. All those in favor vote aye, opposed vote no. The issue before the house is the Warner amendment to LB 36. Please record your vote. 25 votes required. Please record your vote on the Warner
